

VBS Mi\$\$ion Project 2010

In keeping with the **“RENEW”** theme of this year’s VBS, our VBS offering will be sent to help rehabilitate all the marine mammals (dolphins, whales, manatees and sea turtles) along the Louisiana Gulf Coast. **The Louisiana Marine Mammal and Sea Turtle Rescue Program (LMMSTRP)**, coordinated by Audubon Aquarium of the Americas, has been designated as the primary responder for the rescue, rehabilitation and release of all marine mammals along the Louisiana Gulf Coast.

Experts anticipate that the greatest number of animals affected will be **sea turtles**. Hundreds of **sea turtles** are expected to be stranded along Louisiana’s beaches as a result of the Oil Spill in the Gulf of Mexico.

The rescue and rehabilitation of each **sea turtle** is estimated at \$5,000 for equipment, supplies, medication and veterinary staff time—and we do not know how long they will need to be cared for before they can return to the wild.

Here’s what you can do to help:

DONATE! DONATE! DONATE!

Every penny that is raised in this offering will go to The Louisiana Marine Mammal and Sea Turtle Rescue Program.

Fleurty Girls (a local NO T-shirt business) has partnered with LMMSRTP and a donation of **\$20 (or more)** and you will receive a “Rescue Me” t-shirt →→→→→ →→→→

Note: Fleurty Girls is donating the t-shirts to LMMSRTP...so, all monies...every penny...with or without a t-shirt goes to help the sea turtles.

Each T-shirt must have a completed order form!!!! (below)
